Finishing:

1. Layer the backing, batting and quilt top. Quilt or tie as desired. Carefully trim backing and batting even with quilt top.

2. Prepare binding from five 2-1/2" x 42" dark tonal strips. Sew strips together into one long binding strip. Press strip in half lengthwise.

3. Leaving an 8" tail of binding, sew binding to top of quilt through all layers matching all raw edges. Miter corners. Stop approximately 12" from where you started. Lay both loose ends of binding flat along quilt edge. Where these two loose ends meet, fold them back on themselves and press to form a crease. Using this crease as your stitching line, sew the two open ends of the binding together right sides together. Trim seam to 1/4" and press open. Finish sewing binding to quilt. Turn binding to back of quilt and blind stitch in place.
